Inverness youth trip

We are exploring the possibility of a youth exchange between our diocese and our link diocese of Moray, Ross and Caithness in the Scottish Episcopal Church. We are proposing to take a group of 8-10 young people to Inverness for 4 days from 8-11th July 2019. This will

involve some considerable planning and will have an associated cost. Our hope is that it will cost no more than €200 per person to go, including all travel and associated expenses. It will be a chance to meet some young people from the diocese there and to explore the ways we have a similar/shared experience and to look at how we can support each other in the future. This would be open to any young person in secondary level education. If anyone is interested in going on this trip, please contact Andrew.
