

The Charitable purpose:

The Charitable purpose of the Parish of County Sligo Church of Ireland Family Fund of the Church of Ireland is the advancement of religion.

The Charitable objects:

The object of the original Society (Co Sligo Protestant Orphans Society) was to provide aid towards the maintenance of necessitous Protestant Orphans and to give them a sound, general, and Scriptural education, and generally to advance their interest as may seem advisable in each case. That in any case, where it is considered, by the Committee, necessary, an orphan, on leaving the Society, may be given a grant for outfit or other expenses.

In recent times the number of Protestant Orphans has declined and the Trustees changed the objectives to helping Protestant children (until they leave secondary education) from families in need. In 2020 the name of the charity was changed to fulfil this.

The principal function of the County Sligo Church of Ireland Family Fund is to provide aid to Protestant families with children of secondary school age in times of hardship with one-off grants.
